

TURA, INC., LULU GUINNESS, L898

Retro styling and modern influences in these four ophthalmic styles expand this designer collection. Each style has a rectangular lens shape with uplifted temporal corners. Red, white and black are prominently featured through color blocking as are stripes and animal prints. **800.242.8872, tura.com.**

NOUVEAU EYEWEAR, CARAVAGGIO, C114

This collection comprises four styles (one unisex, one for men and two for women). The C114 for men features a versatile rectangular front with broadened temples, while the C114 women's style incorporates gold metal temples with jeweled details. **800.292.4342, nouveaueyewear.com.**

OGI EYEWEAR, SERAPHIN, VERMILION 8074

New twists on a classic shape encompass a trio of new styles added to the Seraphin collection: Belmont, Sibley and Vermillion. Frames come in either acetate or a dual-frame construction of titanium and acetate with adjustable temple tips and nose pads. **888.560.1060, ogieyewear.com.**

WESTGROUPE, EVATIK, E9133

Five new styles for men comprise this fall 2016 collection in lightweight titanium, stainless steel and handmade acetate. Styles feature laser-engraved patterns and come in both full- and semi-rimless frames with color choices from subtle and earthy to shiny and bold. **855.455.0042, westgroupe.com.**

ALTERNATIVE EYEWEAR, GRACE, G8018

Delicate temple detailing on new Grace styles feature floral etchings and jeweled accents. Queen models, sized for female wearers who need extra room, are available in lightweight titanium to maintain overall frame comfort. **888.399.7742, alternativeeyes.com.**
