THE LATEST RELEASES FRAMES

STANDING OVATION
\$298

Ty Taylor, lead singer for L.A.-based rhythm and blues band Vintage Trouble (vintagetrouble.com), wears **John Varvatos** model V510 (Bond) at the iconic Kings Theatre in Brooklyn, NY. The band got their start opening for the Rolling Stones; their Australian and European tour begins this month. *derigo.us*

SPRING HAS SPRUNG
\$560

Take a trip to the tropics in exuberant **Dolce & Gabbana** model DG2170B from their colorful Mambo collection. The frame front is hand-decorated with sparkling Swarovski crystals that will light the way to the beach (or bar). Cuba Libre, por favor! *luxottica.com*

\$245

SWING TIME

Inspired by Italian swing music, **Smoke x Mirrors** debuts their first optical collection, Swing. Hit the dance floor in oversized, all-acetate model Torero. *smokexmirrors.com*

IN BLOOM

Light and bright model CCS101.01, from the new **CCS by Coco Song** line, embraces the vivid colors and unique design of the fan-favorite brand, but without the usual decorations. Spring clean to make room for these. *area98.it*

\$430

SLIM JIM

Exces debuts their first men's collection with lightweight model SlimFit 1. It's super thin, sleek and serious, with stainless steel temples in a subdued color, and is suitable for smaller sizes. *eseyewear.com*

\$135

AVANT-GARDE

A wearable sculpture, **OXYDO** model O.No 1.1 is part of Safilo's new Atelier division. Inspired by visual art and industrial design, and crafted in Italy, each piece is available in a limited edition. *mysafilo.com*

\$390

\$225

YOU SPIN ME ROUND

In a vintage round shape, E-9145 from **Evatik** is cooler than your 90s glasses. In fact, you may not be cool enough. In black, matte black grey and tortoise black. *evatik.com*

*All prices MSRP, except where noted
