

**GOTTI's** On the Cover campaign is a close-up - focused on the glasses with attention to detail. It is about style, design, and the character of the person wearing them. This close-up is the star of the new campaign. The photos are a fusion of positive life style and the distinct cover photo of the new Götti magazine. ○

**ALTACOR.** Portable, lightweight and discreet, handy Clinitas Soothe Multi is easy to use and apply. It is a preservative-free eye drop which offers rapid and prolonged relief from dry-eye. Containing 0.4 per cent sodium hyaluronate, the highest concentration on the market, its formulation is dual acting, boosting and stabilising the tear film that coats and protects the eye. It provides rapid relief, stays in the eye for long-lasting comfort, is non-toxic and is suitable for contact lens wearers. Once opened, a bottle remains sterile for up to 90 days use and will provide up to 250 drops, making it very economical. ○

**ONE OPTICAL's** Dudes & Divas model Jive C12 (above) is from their new range of children's prescription sunglasses providing UV protection. The collection is fun, vibrant and made of soft polyurethane material. There are eight styles, each in two colours, available frame only or glazed complete. ○

**OPTICAL SERVICE's** Ferrucci model 479 (left) is a highly polished acetate frame in soft deep blue with complementary mottled arms that match most skin tones. The cutout hinge detailing adds lightness to the temple. ○

**WESTGROUPE/RIDGWAY OPTICAL SUPPLIES'** Evatik men's model E9185 Monoblock front with a square shape stands out with precise laser cutting linear design along the top rim edge and on the temples. Highlighted with a pop of contrasting colours, this style is offered in brown camel, black red and charcoal grey. ○
