### EVATIK Debuts Two Models for Spring 2022

2022-03-03

Designed for today's modern man, the EVATIK Spring 2022 collection features two new models in a variety of structures, including full rim and semi rimless, ensuring that all style bases are covered. The colours offered are rich and luxurious while design details are subtle yet impactful, ensuring easy-to-wear styles with contemporary flair.

#### E-9233

The rectangular eyeshape of E-9233 is the ideal transitional shape, perfect for work and play. Featuring monoblock stainless steel with handmade acetate temples, this frame's two-tone colouring is subtle yet sophisticated. Handmade acetate temples, elevated by embedded two-tone metal décor, are classic and understated. Available in three colour ways: Navy Silver, Brown Gold, and Charcoal Gun.

#### E-9234

The semi-rimless square shape of E-9234 is modern and on trend, especially when combined with a monoblock stainless steel front. The overall design has an elevated, sporty look with luxe materials, unique detailing, and cleverly placed pops of colour. A laser-cut border along the temple highlights the two-tone colouring while reversed colour placement on the
