OUTSIDE the FRAME

Help your eyes feel hydrated and rejuvenated with these eye contour gel patches that will help reduce puffiness, fine lines, wrinkles and dark circles. —Victoria Garcia

Cucumber De-Tox Hydra-Gel Eye Patches from Peter Thomas Roth

FAVORITE FINDS

20/20 INSIGHT: If you are looking to update your optical frame, 20/20 has you covered. With interesting colors, tortoise patterns and eye-catching embellishments, these classic with a twist styles are the refresh you have been searching for.
—Jillian Urceley

1

PARADIGM Duvall Kenmark Eyewear

Inspired by actor Robert Duvall, this optical frame features a striking square shape and is sized proportionally to not overwhelm petite faces.

Pricing: \$\$\$
(800) 627-2898/kenmarkeyewear.com

WATERMILL C1143 Colors in Optics

Featuring an oatmeal frame front with coordinating creamy-colored temples, this square shaped style is embellished with metal pin dots and rounded temple tips.

Pricing: \$\$\$
(212) 465-1200/colorsinoptics.com

2

EVATIK 9240 WestGroupe

Combining a handmade acetate front with stainless steel temples, this men's frame features wraparound metal end pieces that flow seamlessly into thin tapered temples.

Pricing: \$\$\$
(855) 455-0042/westgroupe.com

3

LINE ART XL2164 Charmant USA

This soft round nylon rimless style is paired with the Menuet temple and features a "glitter technique" that is applied by hand and appears along the front rims and temples for an elegant appearance.

Pricing: \$\$\$\$
(800) 645-2121/charmant-usa.com

4

MOREL 1880 60144M Morel

Combining a nostalgic shape and modern color palette, this style features a colorful handmade acetate front and end tips paired with stainless steel temples.

Pricing: \$\$\$\$
(800) 526-8838/morel-france.com
