### EVATIK

Targeting today's confident and fashionable man, the Evatik Fall 2022 collection includes both classic and retro-inspired designs. Styles feature trending Fall hues combined with classic neutrals and eye-catching design details, to go from day to night.

With its square shape and on-trend flat-top design, E-9241 has a polished look that blends modern and vintage aesthetics. Available in two colourways: Matte Black Tort and Pecan Black. Bevelling along the top of the frame elevates the overall design.

With an easy-to-wear rectangular eye shape in on-trend hues of burgundy, grey and green, E-9242 is ideal for Fall. A gradient-patterned acetate enhances the frame's charm, while a drop-down bridge provides irresistible retro appeal.

E-9245 is a classic rectangular frame with smokey-effect patterns and fun pops of colour around the rims and along the brow line. Linear metal detailing and custom spring hinges integrate into the temples for a sleek design. This frame is available in a range of matte and shiny finishes in colourways of Matte Black Blue, Blue Smoke and Grey Smoke.
